2016

To Whom it May Concern,

We would like to invite you to our 3rd Annual Upshift Summer Bash to benefit Drive for Independence. Drive For Independence is an organization dedicated to helping individuals with high level disabilities obtain wheelchair accessible vehicles needed to drive themselves to work and achieve their dreams of independence. We have already helped one individual achieve his dream. Christopher Sauerbaum along with his wife and many other dedicated individuals raised the funds needed for a down payment on his Truck that was recently converted for his specific needs. He is now able to drive himself to work and run everyday errands without relying on a bus or someone else to drive. After meeting his goal they decided to immediately work on paying it forward and help others meet the same goal of being able to drive themselves to work and lead an overall more independent life.

Our annual Upshift Summer Bash car show is one of our largest fundraisers. Upshift Summer Bash 2016 will be held on Saturday, July 30th, 2016 at the AACA Museum in Hershey PA and will showcase a variety of vehicles including cars, trucks and motorcycles with everything from classics to tuners. We are seeking the support of business and private sponsors. There are several possible ways to support this event including Sponsorship, donation to the silent auction and raffle, and door prizes.

We are also accepting donations to the silent auction (donations worth over \$50.00) / ticket auction (items valued under \$50.00) to be held during the event. The items will be on display throughout the event for the public to bid on. Each item will include a card with information about the item including the value and who it was donated by. Corporate sponsorship is not necessary to make a donation to the silent auction. All donations are greatly appreciated.

Platinum, Gold and Silver Sponsorship Levels are limited and will go on a first come basis. We encourage all interested sponsors to return the sponsorship form as soon as possible to ensure inclusion of your logo on promotional materials. Logo must be in .JPEG, .PSD, or .EPS format and at least 150dpi (300dpi preferred). Please e-mail your artwork to: driveforindependence@gmail.com. We thank you for your consideration in supporting our Upshift Summer Bash 2016 and ultimately our mission with Drive for Independence in helping individuals with high level disabilities reach their goal of being able to drive themselves to work and achieve a new level of independence. We look forward to seeing you join us at the Upshift Summer Bash 2016 being held at the AACA Museum in Hershey, located at 131 Museum Dr, Hershey, PA 17033 . Thank you for your continuing support,

Heather Sloat
